**Terms & Conditions of Sale**

**ACCOUNT TERMS**

Opening orders require a minimum order of \$500  
 Reorders are a minimum of \$250  
 All prices are subject to change without notice.  
 Inventory levels are subject to change without notice and are not guaranteed.  
 All orders ship FOB our warehouse in Dania Beach, Florida. Freight, insurance and handling charges are added to the invoice.  
 All refused shipments will be charged the appropriate freight charges in each direction plus a 25% restocking fee.  
 Backorders will be shipped as available without notification.

**ORDER PROCESSING**

New orders, changes and cancellations must be submitted in writing (fax or email).  
 Orders are processed and available items are shipped within 14 business days.

**PAYMENT TERMS**

Opening orders: We accept Visa, Mastercard, AMEX, Discover, check and wire transfer payments. Sorry no COD.  
 Late payments: Interest will be applied on all late accounts at a rate of 18%. Delinquent accounts will be sent to collections and customer will be liable for all collection costs, penalties and accrued interest. Returned Checks will be charged a \$25 returned check fee.

**RETURNS AND CLAIMS**

Items may be returned in their original packaging within 14 days of delivery for merchandise credit or exchange. Customer will be responsible for shipping and handling in both directions. There will be a 25% restocking fee for all returned merchandise. Deposits and custom made pieces and special order items are non-refundable. Loss or breakage occurring in transit may need to be filed with the carrier directly and must be noted on the bill of lading at the time of delivery.

**OTHER**

We suggest you contact a specialist in your area to determine the best type of soil to use for the plants you intend to place in any of our planters. We suggest potting soil or light weight soil as it not only drains better but the weight will not damage the planter. Do not use top soil or any other heavy material such as sand or rocks to fill your planter. This may cause damage to the walls and structure of the planter. If you wish to weigh down your planter do so by adding a couple of inches of gravel at the base of the planter. We have intentionally designed these planters for use without saucers. In order to avoid the soil and sediment from seeping out the bottom of your planter we suggest lining the inside with landscaping fabric before placing your soil. Our planters have been manufactured with a paint formulation which provides UV resistance however no warranties are made regarding the finish.
